

Physics (M.Sc. Physics)

Course Level: Post Graduate

Course Duration: 2 Yrs.

Admission Eligibility: B.Sc. exam or equivalent examination from a recognized University with relevant / allied subject offered in P.G.. Course, with minimum 50% marks

About Course:

It is truly said by Nobel Laureate David J Gross that "Physics is King of all Sciences" as it helps us understand the way nature works. It is at the Centre of Science.
The M.Sc. Program in Physics is designed keeping in mind that students will gain knowledge of advanced experimental techniques, computational techniques and theoretical understanding. The program aims to develop research and problem Solving skills, preparing past graduates for employment in research, science-based industry, and education.
