

# Master of Physiotherapy (M.P.T.)

**Course Level:** Post Graduate

**Course Duration:** 2 Yrs.

**Admission Eligibility:** BPT Degree with 50% marks from recognized Board/University

## About Course:

MPT or Master of Physiotherapy is a postgraduate physiotherapy course, which focuses on the well-being of an individual. MPT course duration is 2 years. MPT course is one of many paramedical courses which is gaining value in the job market. MPT course focuses on training students in physiotherapy with different techniques, by using both modern technology and natural means. MPT course values the importance of physical fitness of the patients and MPT course graduates are trained accordingly. MPT course is gaining momentum and is available in almost all the medical colleges in India. Minimum eligibility for MPT course is to have a bachelor's degree in physiotherapy.
