About the Programme: B.Voc.(Agriculture) is a course designed in the area of agriculture and allied activities. This course is a mix of farm, non-farm activities, agriculture extension and micro-financing to create skilled manpower who can be absorbed in various industries. In addition to this it will also create entrepreneurs interested in agriculture and allied areas. The course covers skilling of collectivization, organic farming, dairy, warehousing, microfinance, micro insurance and agriculture extension modules. This programme will bridge the gap requirement of skilled manpower in this sector.
