16	Can program contribute in rural development? How?	The vogue of English has given rise to the emergence of a new learner whose demands and ambitions are much more based on his interest Teaching English through Indian Writing in English as source material may certainly meet the needs of learner in rural India. This innovative method of learning English can be beneficial for several reasons. Firstly, students of rural areas are strictly related to traditional belief systems, Secondly their identity is rooted in the pride of being Indian. Thirdly, the learner from rural areas can perform well in other subjects like History, Economics, Political Science, Sociology and others. These days Learners, of rural area have recognized that the knowledge of English provides lots of prospects and opportunities. English has become the consented means of livelihood of millions.
