M.A. (4th SEMESTER)
(GROUP-A)

Paper-I (16/20AIH401) Historiography, Concept, Methods & Tools of Ancient History
(Compulsory Paper for each Group)

Marks: 80
Internal Assessment: 20
Time: 3 Hours
Credit : 4

Course Outcome:

- CO1: Students will have developed their ability to assess critically historical analysis and argument, past and present.
- CO2: Students also know the Problems of Periodization; Sources of Ancient India and the Importance of the Objectivity in the history.
- CO3: Students will have gained an awareness of recent and contemporary debates in the theory, practice of historical writing and gained debate in history thinker. Students will have gained insight into how historical arguments have been and are made become aware of Historiographical traditions outside the west.
- CO4: Students will have had the opportunity to think reflexively about the nature of the historical enterprise within society. Students able to understand Debates in history

Note: -At least ten questions shall be set in the paper spread over the entire four units, out of which the candidates shall be required to attempt any five .One question from each unit. All questions shall carry equal marks.

OUTLINES OF STUDY

Unit - 1

1. Nature and Scope and of Ancient History
2. Geographical factors in history

Unit - 2

3. Problems of Periodization
4. Sources of Ancient India
5. Importance of the Objectivity in the history

Unit - 3

6. Inter-disciplinary approach in history
7. Problems of Regional and national history writing
8. Collection and Selection of Data.

Unit - 4

9. Debates in History: Uses and Abuses in History, Re-writing of History
10. Causation in history

Pedagogy of the course work: *The students are taught with the help of slides. In addition to lectures, workshops, seminars, field trips, case studies are arranged to enhance the articulation skill of the students.*

Paper-II (16/20AIH402)**Principles & Methods of Archaeology**

Theory Marks: 60
Practical/Internship: 40
Time: 3 Hours
Credit: 4

Course Outcomes

- CO1: The aims of the paper is to familiarize students with a range of analytical approaches and their application in reconstructions, interpretation and explanations of the Indian past with case studies and examples drawn from a wide range of temporal periods.
- CO2: The broad objective of the course is to do three things: to inform the students about the major excavations of India, to familiarize them to the theoretical basis of field methods and to impart field training.
- CO3: Students understanding the Recording the context of excavated remains; Methods of dating; Conservation and preservation of archaeological remains.
- CO4: Students understanding the scientific analysis of excavated remains and Reconstruction of the socio-economic aspects, including contextual and site catchment analysis.

Note: -At least ten questions shall be set in the paper spread over the entire four units, out of which the candidates shall be required to attempt any five .One question from each unit. All questions shall carry equal marks.

OUTLINES OF STUDY

Unit - 1

1. Rise of archaeology as a science.
2. Developments in field techniques: Methods & Techniques of Excavation.

Unit - 2

3. Marine Archaeology: with special reference to development in India.
4. Stratigraphy: Principles of stratification, Identification and recording of strata.
5. Determining the chronology and periods of excavated remains.

Unit - 3

6. Recording the context of excavated remains: preparation of sections and plans, three dimensional recording.
7. Methods of absolute dating: calendar and historical chronologies, clay verves, tree-rings, radioactive clocks, radiocarbon, thermo-luminescence, potassium argon and uranium series.
8. Conservation and preservation of archaeological remains, chemical treatment of organic and inorganic objects.

Unit - 4

9. Scientific analysis of excavated remains: (A) Study of pottery, tools, beads etc., (B) Study of organic remains - Botanical, Zoological and Human Bones.
10. Reconstruction of the socio-economic aspects, including contextual and site catchment analysis.

Pedagogy of the course work: *The students are taught with the help of slides, photographs, maps etc. In addition to lectures, workshops, seminars, field trips, case studies are arranged to enhance the articulation skill of the students.*

PRACTICAL: ARCHAEOLOGICAL EXCAVATION/EXPLORATION

The distribution of marks for practical shall be as follow

Paper-III (16/20AIH403)**Study of Ancient Pottery**

Theory Marks: 60
Practical/Internship: 40
Time: 3 Hours
Credit: 4

Course Outcome:

- CO1: Students understand the Characteristics and Chronology of Pottery-Tradition of Archaeological Cultures in different phases of Ancient India.
- CO2: Students understand the Classification of Pottery, Pottery-drawing and Interpretation.
- CO3: Students study the Pottery tradition in Early Harappan and Harappan phase. Students study the various excavated historical sites.
- CO4: Students understand the Distribution of OCP, PGW and NBPW in Northern India. They also understand historical and early medieval pottery.

Note: -At least ten questions shall be set in the paper spread over the entire four units, out of which the candidates shall be required to attempt any five .One question from each unit. All questions shall carry equal marks.

OUTLINES OF STUDY

Unit - 1

1. Importance of Pottery in Archaeology, Origin and Development
2. Technological aspects of Pottery Making industry in Ancient India

Unit - 2

3. Classification of Pottery: Period wise, Pottery-drawing and Interpretation
4. Hakra ware tradition

Unit - 3

5. Pottery tradition in Early Harappan phase
6. Study of Harappan Pottery : Classical and Late Harappan

Unit - 4

7. Distribution of OCP, PGW and NBPW in Northern India
8. Early historical & historical pottery
9. Early Medieval Pottery tradition

Pedagogy of the course work: *The students are taught with the help of slides, photographs, maps etc. In addition to lectures, workshops, seminars, field trips, case studies are arranged to enhance the articulation skill of the students.*

(GROUP – B)**Paper-I (16/20AIH401) Historiography, Concept , Methods & Tools of Ancient History
(Compulsory Paper same as in Group-A)****Paper-II (16/20AIH406) Study of Ancient Inscription**

Theory Marks: 60
Practical/Internship: 40
Time: 3 Hours
Credit: 4

Course Outcome:

- CO1: Critically analyze the Inscriptions as a source of Indian History with Classification of documents.
- CO2: Students will be able to understand the origin and antiquity of art of writing in India as well as origin of Brahmi Script and Kharoshthi Script. They also understand the Ancient Indo-Iranian (Achaemenid) inscriptions.
- CO3: Critically analyze the various aspects of inscriptions and their importance as a source of Indian History.
- CO4: Students understand the decipherment and transliteration of Brahmi and Kharoshthi script. They also understand the original script of inscriptions.

Note: - At least ten questions shall be set in the paper spread over the entire four units, out of which the candidates shall be required to attempt any five .One question from each unit. All questions shall carry equal marks.

OUTLINES OF STUDY

Unit - 1

1. Classification of Inscriptions, general features of copper plate charters, and stone inscription.

Unit - 2

2. Ancient Indo-Iranian (Achaemenid) inscriptions :
 - (i) Presepolis inscription of Darius I,
 - (ii) Naqsh-I Rostam Inscription
 - (iii) Persepolis Inscription of Xerxes.

Unit - 3

3. A cultural and Historical study of the following Inscriptions:
 - (i) Ashokan R.E.II (Girnar).
 - (ii) Rummindei Pillar Inscription of Ashoka
 - (iii) Pillar Edict VII of Ashoka
 - (iv) Shinkot Relic Casket Inscription of the time of Menander
 - (v) Ara Inscription of the time of Kanishka
 - (vi) Mathura Inscription of the time of Huvishka
 - (vii) Nasik Inscription of Vasisthiputra Pulmavi (Regnal Year 19)
 - (viii) Poona Copper- Plate of Phabhavatigupta.
 - (ix) Haraha Inscription of Isanavarman.
 - (x) Gwalior Inscription of Mihirabhoja

Unit - 4

4. Transliteration in the original script of any of the following inscriptions (in part or in full) :

- (i) Rummindei Pillar Inscription of Asoka.
- (ii) Panguraria Edict of Ashoka
- (iii) Besnagar Garuda Pillar Inscription of Heliodorus.
- (iv) Mehrauli Iron Pillar Inscription of Chandra
- (v) Poona Plate of Prabhavati Gupta
- (vi) Mandasor Inscription of Yasodharman- Visnuvardhana
- (vii) Dubi Plates of Bhaskaravarman
- (viii) Aphased Inscription of Adityasena
- (ix) Gwalior Inscription of Minigabhoja
- (x) Deopara Inscription of Vijay sena

Pedagogy of the course work: *The students are taught with the help of slides, photographs, maps etc. In addition to lectures, workshops, seminars, field trips, case studies are arranged to enhance the articulation skill of the students.*
