ABOUT | K.R. MANGALAM UNIVERSITY

“Empowering the Youth, Empowering the Nation”

K.R. Mangalam University is fast emerging as one of the top private universities in India. KRMU’s lush green campus, world class infrastructure and innovative and inclusive learning environment provide a unique value proposition in the Indian higher education space.

Our goal at KRMU is to create a safe ecosystem where students’ lives can be transformed through knowledge generation and sharing, entrepreneurship and creativity. Our qualified and experienced faculties from some of the best institutions in the world can help students achieve their full potential and become professionally and socially responsible individuals.

Students at KRMU are exposed to wide variety of academic disciplines and have opportunities to take their classroom knowledge into the real world through various activities like industry visit, internships, guest lectures, workshops, social services, and medical camps. Smart Ashram, Engineering Kitchen, Nucleus, E-Yantra Robotics Lab in collaboration with IIT Bombay are few of the many initiatives that allow students to work on live projects.

KRMU is a technologically advanced university and we have launched a pioneering, technology-based, Hybrid Educational Platform, which can robustly enable online and distance education. Our teams continue working together remotely, within the online space, and we are here to support all queries regarding our university and admissions as always. K.R. Mangalam University is fully prepared to serve the needs of our students with vigour, inspiration, and practical knowledge.

MESSAGE

FROM THE SCHOOL

The School of Humanities started in the year 2015 and since its inception the school has prospered in every respect. Keeping in mind the subject knowledge, industry expertise and personal growth, we at KRMU in the School of Humanities are committed to facilitate and provide a life-long learning environment to the students. The School fosters creative and critical thinking, imagination along with intellectual inquisitiveness. The students are prepared for a variety of careers by adapting to the inter-disciplinary approach.

Our objective is to make students understand the need of success, their goals in life and how to achieve those goals. With this objective in our mind, we have highly qualified and experienced faculty in SOHS who brings innovative pedagogy, cutting-edge scholarship and dedication to their teaching, transforming the minds and lives of our students. Our endeavour is to give students an opportunity to focus on interdisciplinary study with an emphasis on hands-on and Project-based learning. As such, the curriculum is designed and developed with regular inputs from subject experts and academicians.
