Subject: Regarding implementation of UGC's 'Guidelines for Transforming Higher Education Institutions into Multidisciplinary Institutions'

Respected Vice Chancellors,

Namaste

Greetings from Haryana State Higher Education Council!

Your kind attention is invited to the UGC's 'Guidelines for Transforming Higher Education Institutions into Multidisciplinary Institutions' which the UGC has already shared with the Universities.

The guidelines suggests multiple ways such as collaboration, merging and clustering between the higher education institutions to achieve the characteristics of a multidisciplinary institution. It would be helpful for the State Governments and Universities to frame appropriate rules/policies to transform HEIs into multidisciplinary institutions. Rules and characteristics with regard to clustering of colleges for both Government and Private Colleges have been spelt out in detail in the guidelines.

Soft copy of the above guidelines is enclosed for reference.

It is hoped that the Universities might have initiated the action on above guidelines by now. Hence a request to share an updated status for record.
