Subject: Regarding Implementation of UGC's 'Guidelines for Incorporating Indian Knowledge in Higher Education Curricula and Training/Orientation of Faculty on Indian knowledge System'

Respected Vice Chancellors,
Namaste
Greetings from Haryana State Higher Education Council!

Your kind attention is invited to UGC's 'Guidelines for Incorporating Indian Knowledge in Higher Education Curricula and Training/Orientation of Faculty on Indian knowledge System'.

Guidelines for Incorporating Indian Knowledge in Higher Education Curricula- The purpose of the guidelines for incorporating Indian Knowledge System in higher curricula is to provide a roadmap for systematic study and research of various disciplines of IKS and provide guidelines for incorporating IKS into undergraduate and post graduate curricula. The Guidelines are equipped with model curricula of courses in Indian Knowledge System that may be useful for designing appropriate courses including Foundation Courses in IKS and some possible Elective Courses on disciplines that are part of IKS such as Indian Mathematics and Indian Astronomy.

Training/Orientation of Faculty on Indian knowledge System- The objective of these guidelines for teacher training during the induction program and refresher courses is to provide a roadmap to familiarize and enthuse faculty about the Indian Knowledge Systems (IKS) and identify strategies to incorporate IKS into their specific classroom teachings. The major purpose of all such training programs shall be to generate a positive attitude towards IKS and promote interest in knowing and exploring more, rather than covering a lot of content related to IKS.

Soft copy of the above guidelines are enclosed for reference.

It is hoped that the Universities might have initiated action on the above guidelines by now. Hence a request to share an updated status for record.

Regards
