Respected Sir,

Namaste!

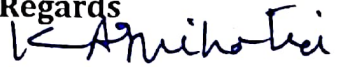

Greetings from Haryana State Higher Education Council.

It is brought to your kind notice that HSHEC (Haryana State Higher Education Council) has been designated as a nodal agency by the State Government to ponder over, monitor, handhold and mentor the progress regarding implementation of NEP as a whole encompassing Department/Stakeholders.

Therefore, your kind attention is drawn to the guidelines developed by the NCERT regarding smooth curriculum transition of students from Grade 2 to 3 of preparatory stage and Grade 5 to 6 of middle stage. The present guidelines aim to streamline the process of curriculum transition for the students from Grade 2 to 3 and from Grade 5 to Grade 6. The prerequisite for learning in the new curriculum is to be fulfilled, otherwise, students will suffer from a load of non comprehension. Moreover, the transition of students from the old curriculum to the new requires support from school heads, teachers, and parents. Therefore, they also need to be oriented on NCF-SE literacy including the advantages of NCF-SE as envisaged in NEP2020 in terms of better and more holistic learning and stress reduction, holistic progress card, and also on school culture and practices.

Hence, a copy of each of these guidelines is enclosed for your kind reference. You are requested intimate status whether the guidelines have been implemented by way of orientation to teachers, circulation of copies of both guidelines along with subject wise activity booklets for Grade -6 to field functionaries. The status as also roadmap planned for it may please be shared with the Council at email: [hshecchairperson@gmail.com](mailto:hshecchairperson@gmail.com).
