Subject:-Guidelines for 50 hours of continuous professional development for teachers, head teachers and teacher educators based on NEP 2020

Respected Sir,

Namaste!

Greetings from Haryana State Higher Education Council

Your kind attention is drawn to para 5.15 of NEP 2020, which states that the teachers will be given continuous opportunities for self-improvement and to learn the latest innovations and advances in their professions. These will be offered in multiple modes, including in the form of local, regional, state, national, and international workshops as well as online teacher development modules. The platforms (especially online platforms) will be developed so that teachers may share ideas and best practices. Each teacher will be expected to participate in at least 50 hours of CPD opportunities every year for their own professional development, driven by their own interests. Keeping this in mind, the NCERT has developed guidelines for 50 hours of Continuous Professional Development for teachers, head teachers and teacher educators. A copy of the same is enclosed for your reference.

It is requested that follow up action in regard to implementation of these guidelines may kindly be taken by the department and action taken/ proposed may kindly be share at email advisorhshec@gmail.com with the Council for placing on record in the review meetings.

Regards
