The Director General
Department of Elementary Education
Haryana

Subject: SOPs for operationalization of National Credit Framework (NCrF) in Higher Education, Vocational Education, Training and Skilling (VETS) and school education

Respected Sir,
Namaste

Greetings from Haryana State Higher Education Council!

Your kind attention is invited to UGC's 'SOPs for operationalization of National Credit Framework (NCrF) in Higher Education, Vocational Education, Training and Skilling (VETS) and school education'.

UGC has notified the National Credit Framework (NCrF) on 10.04.2023 and requested all HEIs to adopt NCrF in their respective institutions. Following the notification of NCrF, the Ministry of Education constituted a High-Level Committee (HLC) to formulate Standard Operating Procedures (SOPs) to implement the NCrF. The HLC developed SOPs for the implementation of NCrF. The SOPs provide a clear guide to facilitate the assignment, accumulation, storage, transfer and redemption of credits across school, higher and vocational education and training.

The document encourages multiple entry and exit, recognition of prior learning and work-embedded programmes that offer opportunities for learners to develop skills and seamlessly integrate them into formal learning pathways. The SOPs will empower educational institutions to become hubs for skill development and offer learners diverse learning pathways.

Soft copy of the above SOPs is enclosed for reference.

It is hoped that the Department will initiate action on the above SOPs soon. Further, a google form will be shared by the Council to update status on SOPs for record.

Regards

K.K. Agnihotri
