**Subject:- Regarding ICT initiative of Ministry of Education i.e. National Internship Portal**

Respected Vice Chancellors,

Namaste

Greetings from Haryana State Higher Education Council!

**National Internship Portal** is an initiative of Ministry of Education which provides an online platform where students can search for and apply to internship opportunities across various sectors, including government, private companies, and non-profits, essentially acting as a centralized hub to connect potential interns with available internship positions within a country. It aims to connect eligible candidates with various internship opportunities. Any student can enrol at the portal i.e. <https://internship.aicte-india.org> for internship as per their course requirement.

It is hoped that all the Universities have initiated action in this regard and are facilitating the students to enrol themselves for the internship as per their course learning.
